**King's Christian School Hosts Inaugural Community Lecture Series
"A Look in the Mirror" with David Collins
Thursday & Friday, May 13th & 14th, 2010**

Do you have the courage to be brutally honest with yourself? Is the image you see of yourself the same one that God is looking at? Our life story is often the place where we relate best to one another. Come listen to a man who has lived most of his life in the more desperate regions of the globe. He is the founder of a larger international development agency. He has managed hundreds of millions of dollars in aid and infrastructure development. Listen as he shares his story of coming to the end of his rope and finding there was still nothing under his feet. David Collins has spent 30 years in some of the most depressed and dangerous regions of the globe. He continues to discover the value of discerning the perspective of God when our culture often suggests other alternatives. David, founder of Canadian Food for the Hungry Int'l, the Global Hunger Foundation & Paradigm Ministries, author, pastor, CEO and consultant, opens himself because of his desire to encourage us to step out of our box.

Grandparents' Day Success!

Grandparents had a wonderful time at King's on April 1st, starting the afternoon with tea/coffee and goodies served in the gym by the Mission Team. Entertainment included the Grade 1-3 classes singing "Step of Faith", the Grade 7, Jr. and Sr. High bands playing "Raider's March", swing dances performed by the Grade 10-12 PE class, and a performance by the Grade 12 Guitar & Vocals class with "Love Rescue Me". After this they visited with grandchildren in their classes and participated in various activities such as crafts, singing and games. At the end of the day Grandparents were treated with a beautiful KCS stainless steel travel mug. Thank you to all Grandparents for joining us and supporting our Book Fair—over \$900 was donated in books to the Library. Lastly, a word of encouragement to all parents who feel as though they are left out during this event...one day when your grandkids come to KCS you too can join in on this fun afternoon event!
