### Family and Friends Invited to Attend "A Look in the Mirror" with David Collins

Community Lecture Series  
Thursday & Friday, May 13th & 14th, 2010  
7:30 pm at The Gathering Place

Do you have the courage to be brutally honest with yourself? Is the image you see of yourself the same one that God is looking at? Our life story is often the place where we relate best to one another. Come listen to a man who has lived most of his life in the more desperate regions of the globe. He is the founder of a larger international development agency. He has managed hundreds of millions of dollars in aid and infrastructure development. Listen as he shares his story of coming to the end of his rope and finding there was still nothing under his feet. David Collins has spent 30 years in some of the most depressed and dangerous regions of the globe. He continues to discover the value of discerning the perspective of God when our culture often suggests other alternatives. David, founder of Canadian Food for the Hungry Int'l, the Global Hunger Foundation & Paradigm Ministries, author, pastor, CEO and consultant, opens himself because of his desire to encourage us to step out of our box.

**Food for the Soul...** "I will extol the LORD at all times; his praise will always be on my lips. My soul will boast in the LORD; let the afflicted hear and rejoice. Glorify the LORD with me; let us exalt his name together." Psalms 34:1-3
